NOTICE OF ALLOWANCE

Terminal Disclaimer

1. The terminal disclaimer filed on September 9, 2004 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of U.S. Patent No. 6,634,935, has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. Claims 22-38 are allowed.
3. The following is an examiner's statement of reasons for allowance: The terminal disclaimer being proper, it is the examiner's opinion that the method of creating bi-directional linear movement of a portion of a polishing pad by creating a bi-linear movement of a drive assembly; and contacting a backside of the polishing pad with a slide member coupled to the drive assembly to produce the bi-directional movement; and an apparatus for such, has neither been anticipated, nor fairly suggested, in part or whole, by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
